Date: 8/3/15
Re: FOOD PROGRAM

Starting August 31, 2015 HAPPY LUNCH CO will process all lunch forms.

These are some of the changes you need to know:

- Please return Lunch Order Form to the office on due date.
- No credits for field trips, if you know your child will go in a field trip please do not order lunch on those dates.
- We will give credit if your child is absent from school. Please take the credit on the next lunch form. Example: In September, if you pre-order 20 meals and your child was absent two days on Sept. It means you have two credits for October. You pre-order 18 meals but you will pay for only 16. You get 1 credits with 2 from September.
- For all the students who purchase meals on a daily basis: Students will now need to pay during recess break at 10:00 am. A Kitchen staff will be taking your payment by the benches near the office and your child will receive a red ticket. The red ticket needs to be presented in the cafeteria during lunchtime. We will charge a fee of **\$25** for any check returned unpaid by the bank.
- Dessert will be discontinued from the meals. Instead we will offer yogurts or Jell-O. Only on Fridays we will serve ice cream.
- We are not going to provide IOU lunches. Please be sure to provide your child with a sack lunch. An emergency meal will be available for **\$4.25** and has to be paid on the next business day.
- Do not worry, the way we process the hot lunch is the same way as the school did before.
- Any questions, please call 626-549-7906 or email Gabriel Rivas at gabriel281@verizon.net
