SCHOOL STUDENT NON-DISCRIMINATION POLICY

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color or national and/or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex or national and/or ethnic origin in the administration of educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student’s emotional, academic, and physical abilities and the resources available to the school in meeting the student’s needs.

This Catholic Elementary School publishes the above policy in the staff and parent/student handbooks, public relations/recruitment brochures and in other publications such as the parish bulletin and school newspaper. The school also publishes applicable grievance procedures in the staff and parent/student handbooks.

The faith and education passed on by the entire professional and dedicated staff at St. Anthony’s will continue to pay out dividends for the rest of our students’ lives.

We welcome your participation and support this school year and solicit your membership in the various opportunities to volunteer and integrate yourself into our faith community. Statement of Philosophy

St. Anthony of Padua School is a Catholic elementary school operated primarily to meet the religious, moral, intellectual, social, cultural, physical, and psychological needs of the children of St. Anthony of Padua parish and other communities.

The school, as a faith community centered in Jesus Christ, is committed to the transmission of the ideals and values of Catholic doctrine and Christian culture at the level of maturity of each student, looking to the image of Christ as our role model. Quality education demands an environment, in which learning is appreciated and respected. Here at St. Anthony of Padua School, the administration, teachers, staff, parents/guardians, and students recognize that fact.

Our culture is a family-oriented, welcoming one—and our school is a home away from home for many. We strive for excellence in all things, and work hard as a Professional Learning Community to create a successful, educational environment that is fair, firm, and consistent. We believe that all children are special and unique, and that each child can learn and contribute something valuable. Character development and self-discipline is taught, modeled and encouraged daily within the basic framework of the curriculum and is built into the school culture.

At St. Anthony of Padua School, students learn that they are responsible to themselves to develop and live up to their greatest potential using their God-given abilities, understanding fully that they must also accept the consequences of their free choices. Students learn that they are not only individuals gifted by God, but that they are also contributing members of a society in which they learn to exist, not by conformity, but by serving and standing beside others of good will to build a better world, through their words and actions.

ARCHDIOCESAN POLICIES

A. GENERAL INFORMATION

CODE OF CHRISTIAN CONDUCT COVERING STUDENTS AND PARENTS OR GUARDIANS

The students’ interest in receiving a quality, morally based education can best be served if students, parents and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents or guardians to withdraw their children.

It shall be an express condition of enrollment that the students and parents or guardians shall conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to, any policies or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

Parents or guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral and behavioral expectations of the school. Bullying at ANY level, among parents, students, faculty, and staff is unacceptable. It has no place in a Catholic school, and will be dealt with accordingly in a swift manner.

Students and parents or guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile or divisive.

Any parent or guardian or other person whose conduct in a place, where a school employee is required to be in the course of his or her duties, materially disrupts class work or extracurricular activities or involves substantial disorder is guilty of a misdemeanor. This statement does not apply to any otherwise lawful employee concerted activity, including but not limited to, picketing and the distribution of handbills.

Any parent or guardian, student, or other person who insults or abuses the principal or any teacher in the presence of other school personnel, students or parents and at a Place—which is on school premises or public sidewalks, streets, or other public Ways, adjacent to school premises or at some other place, where the principal or teacher is required to be at, such other place in connection with assigned school activities—risks the continuation of his or her child in the school. These expectations for students and parents or guardians include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.). The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without warning.
ADLA SCHOOL STUDENT NON-DISCRIMINATION POLICY

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, or national and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student’s emotional, academic and physical abilities and the resources available to the school in meeting the student’s needs.

INCLUSION PROCEDURES

Through the mission of the Archdiocese, our schools strive to serve children with varied learning needs. All educators in Archdiocesan schools follow “Directions for the Inclusion Process in Catholic Schools: Support Team Education Plan Process (STEP). Parents or guardians who feel that their student may need a minor adjustment to enable him/her to participate in the general education curriculum of the school should consult the student’s teacher and principal to determine how best to meet the students needs. Parents or guardians may request the “Disability Discrimination Complaint Review Process” from the principal to address unresolved issues. The entire faculty and staff will make proper accommodations as needed within reason.

CONSULTATIVE SCHOOL COUNCIL AND PARENT ORGANIZATIONS

It is expected that each Catholic elementary school will establish a Parent Teacher Organization and a Consultative School Council. Both groups exist to support the school and are critical to the school’s viability, but they have very different functions.

Parent Leadership Committees (PLCs)

The main functions of the Parent Leadership Committees are to raise funds for the school’s current operational expenses, to promote parental support for the school program, and to increase mutual understanding between school and parents. Each family must sign up for one of the various committees as part of fulfilling their required service to the school as a participating and contributing member of the school community. If a parent is not on a committee or does not respond to correspondence when asked to participate at meetings and events for that committee, a non-participation fee of $250.00 will be charged at the end of the school year and must be paid by the last day of instruction for that year.
Consultative School Council/Advisory Board

The general responsibilities of the Consultative School Council are in the following areas: strategic planning; policy development; resource development; institutional advancement; advice and counsel with regard to financial planning, management and reporting; marketing of the school and evaluation of the Council’s goals and activities.

The membership of the Consultative School Council should include the pastor, principal, assistant principal, vice principal, parents, alumni parents, parishioners, members of the civic and local business community, and area educators.

**Parent Teacher Communication**

Communication between parents and teachers are imperative for student success. Parents are encouraged to email teachers or call the teacher’s extension and leave a message during school hours while instruction is taking place. Parents are asked to set up a phone or in-person meeting via email. Email correspondence is not for personal or in-depth conversations and should always be in a respectful tone addressing our professional educators, especially during the school day, when a teacher’s time is reserved for tending to the education and care of children. There should never be parent teacher meetings held during instructional time when students are seated in classrooms waiting for instruction, or during carline drop off or pick up.

Teachers will get back to you about your concerns within 24 hours. This 24-hour policy does not include weekends. Teachers days off are Saturday and Sunday. Please do not expect a response from teachers on weekends. If you call leave a message on Friday, teachers will get back to you sometime on Monday. If you leave voice messages for teachers, they will check it after the school day.

St. Anthony’s will be hosting Livescan Fingerprinting for ADLA at our school in the Parish Hall on Sept 22, 2015, from 12pm-3:40 pm and 5pm-7:20pm.

Applicants will need to bring either their Driver’s License & Social Security Card OR their Passport and Social Security Card.

Secondly, volunteers need to complete their Virtus training to help us safeguard all children. Please bring a copy of your Livescan receipt and Virtus Certificate of Completion and submit it to Maria Grimaldo at the school office or it can be e-mailed to her at mgrimaldo@stanthonygardena.org.

St. Anthony’s will be hosting a Virtus Training at our school in the Parish Hall on Sept. 16: at 6pm (ENGLISH) and Sept. 30 in the Hall at 6pm (SPANISH).

All parents will have a name tag available at our school office to wear while on campus once their fingerprinting and online safe environment (Virtus) training results are complete to show proof that you are cleared to be on campus as a volunteer working with our children. All visitors must check in and out of the office at all times and must wear a VISITOR badge, otherwise they cannot volunteer for school activities with children. Please note that Virtus certificates, once issued must be kept current by reading monthly online bulletins. If this is not done, your certification will expire. Visitors must check in and out of the office at all times. Parents are never allowed to come on campus without signing in and out of office. Faculty and staff are advised to direct parents back to office if this is the case. During school hours, visitors must wear badges to identify themselves to the students, faculty, and staff, or someone may think they are an intruder.

The online safety training program needs to be repeated once every 4 years, but can be updated regularly by doing monthly online trainings to stay current. If you don't update it you can lose your status and have to start Virtus training all over again. For more info on Virtus trainings and online bulletins, please visit www.virtusonline.org.

NOTE: Fingerprinting through the Archdiocese of LA (ADLA) is done only 1 time.

If you have any concerns or questions about our safe environment here at St. Anthony of Padua Catholic School, please email me at agrey@stanthonygardena.org.

Sincerely,

Angela Grey
Emergency Information

Emergency cards are to be filled in and returned to school immediately. **A parent/guardian must fill in both sides and sign the back.** Two local persons other than the parent/guardian should be named who can be contacted in the event of an emergency for the student if the parents/guardians cannot be reached. In case of illness or accident, the school will contact the home by phone and follow the request of the parent/guardian. Emergency updates will be sent home every trimester. Classroom teachers and the front office must have your most current information at all times or you put your child’s safety at risk.

**URGENT:** Notify the school immediately if there is a change in address or telephone number at home or at work. We must be able to reach you in case of an emergency pertaining to your child.

**Release of Students after a Disaster:** In event of a disaster, children may not be released to anyone other than persons listed on the child’s earthquake emergency card or to persons with written permission from the parent/guardian. All releases will take place only upon the authorization of the school principal or designee. Teachers are not to release students unless authorized to do so, and then only to authorized agents.

**IN CASE OF DISASTER EMERGENCY, PARENTS/GUARDIANS SHOULD:**

- Be certain that the EMERGENCY CARD is accurately and completely filled out each trimester and returned to the school. (Both sides plus signatures. Must be legible.)

- Remember that the safest place for your child in an emergency during the school day is the school itself.

- Remember that the school WILL NOT SEND YOUR CHILDREN HOME in an emergency unless school conditions become untenable and then only if dismissal takes place with complete safety.

- Make certain that your child understands and uses the safest and most direct route to and from school. If you give your child express permission to use public transportation or walk to and from school, this is at your discretion and you must notify us in writing that you have authorized this to take place.

- Make certain that your child understands where to go when an emergency arises en route to or from school.

- Monitor the EMERGENCY BROADCAST SYSTEM for emergency information and for special taped instructions regarding schools. **DO NOT PHONE THE SCHOOL.** Lines are needed for emergency use.

- Be aware of, support and reinforce the emergency procedure information your child receives at school. Stay calm.
**Medical Policies**

**Health Records:** Upon registration, each parent/guardian is asked to supply for their child, verification of immunization for polio, measles, rubella, mumps, diphtheria-tetanus, a Mantoux TB skin test and Hepatitis B.

Students entering Grade K and new students in grades 1-8 are required to present a certificate from a physician describing results of a physical examination of the child, given during the last six (6) months. In the absence of such a certificate, parents/guardians must sign a waiver to indicate that they have strong reasons for preventing such an examination. Proof must be on file by September 15 or the child will have to remain at home. Given the recent law that was passed in CA regarding immunizations, new students may not be accepted, based on a lack of proof of immunization. Returning students may be required to get immunized if they want to continue their education at St. Anthony of Padua School.

**Medical Appointments:** Parents/Guardians are asked to keep medical appointments during school hours to a minimum. For early dismissal for medical or dental appointments, a note should be sent to the office in the morning and presented to the secretary, who will forward it to the classroom teacher. A notification by email is acceptable. In this case it should be cc:ed to the classroom teacher AND the office staff (at contact@stanthonygardena.org). The student is to check in and out at the office. Parents/Guardians must sign out the student in the office and should not go directly to the classroom. To be recorded as an excused absence, a written certification from the DOCTOR/DENTIST is required on the child’s return to school. Parent notes are not acceptable. Doctors/dentists can fax directly to the school office. Your child will be marked for having an unexcused absence until the doctor’s note is received. This information will be recorded in the official attendance register and will be placed in student’s file.

**Administration of Medicine:** the school cannot furnish medication. No medications of any kind can be administered by school personnel without appropriate consent forms. If a pupil must have medication during the school day, the following procedure is to be followed:

- Release from a doctor or parent/guardian stating the nature of the medication and any pertinent directions or information for personnel.
- The day’s dosage must be kept sealed, labeled and have the pupil’s name attached and must be kept in lunch box or appropriate container. This container is to be kept in the school office.
- The pupil must come to the office for the medication.
- Where reasonable and feasible, a pupil’s medication is to be self-administered.

If a child is permitted to have aspirin or Tylenol, a note from a parent/guardian must be on file in the office stating this permission; otherwise, office personnel will call the parent/guardian. If the parent/guardian cannot be reached, the medication may not be given. If parents ask the school to administer medication, and all directions are followed correctly, the school assumes no responsibility for any reaction that the child may have to the medication.
Administration of CPR: Personnel will administer medication and in emergency situations, will perform CPR as needed, in good faith.

A Good Samaritan doctrine is a legal principle that prevents a rescuer who has voluntarily helped a victim in distress from being successfully sued for wrongdoing. Its purpose is to keep people from being reluctant to help a stranger in need for fear of legal repercussions should they make some mistake in treatment. By contrast, a duty to rescue law requires people to offer assistance, and holds those who fail to do so liable.

Good Samaritan laws offer legal protection to people who give reasonable assistance to those who are, or who they believe to be, injured, ill, in danger, or otherwise incapacitated. The protection is intended to reduce bystanders' hesitation to assist, for fear of being sued or prosecuted for unintentional injury or wrongful death. In essence, these laws protect the “Good Samaritan” from liability if unintended consequences result from their assistance. Who is protected under these laws (physicians, emergency medical technicians, and other first responders, teachers and school personnel included) The school assumes Good Samaritan liability protection to cover those on our premises and under our jurisdiction, acting during an emergency.

ROUTINE PROCEDURES AND RULES
Safety Policies

Responsibility of Home: Parents/Guardians are responsible to determine a safe method of transporting the student to and from school. They are asked to use a reasonable speed (5 mph) on school grounds and obey the traffic pattern. The school cannot be responsible for students who loiter on the way to and from school. In order to establish the students’ whereabouts, parents/guardians should know the time of the students leaving home and arriving at school.

Parents/Guardians are also responsible to provide the school with information on emergency cards stating who can be contacted in case of a student’s emergency. On the yellow emergency card, an earthquake release form is also completed stating to whom the child may be released in the event of an earthquake or other disaster. In the event of earthquake or other disasters, parents/guardians are responsible for prompt pickup of their students.

Responsibility of School: The school provides first aid for minor injuries and contacts the parent/guardian in case of a student’s illness or accident. Parents will be notified by phone, email, or by written note if a child has been injured. The school or person in charge of the child will fill out an accident report form that will be sent home that day, if the severity of the injury warrants one.

Drills: The school also conducts monthly drills for evacuation of the building in case of fire, lockdown, earthquake or other emergencies and natural disasters. Drills are conducted to provide practice for safety in case of such emergencies. They are required by law and should be considered as serious matters. Complete cooperation with rules and procedures regarding quiet and safe movement is expected from each student.

Mass Days: School Masses take place every Friday from 8am-9am. For safety reasons, school children are never allowed to use the church bathrooms at the front of the church during school hours. Those bathrooms are open to the public. To ensure safety, K-3 students must go to the restrooms by the lunch tables in the Hall and will be supervised by an adult who is school
personnel. Students in grades 4-8 can go in pairs, but an adult will be standing outside the
bathroom to monitor their safety, since gates are open at that time.

**Birthday Policy:** We recognize the importance of celebrating birthdays but at St. Anthony we
also want to promote a healthy lifestyle. Please cooperate with our new policy for birthday
celebrations. It is recommended that to be fair to everyone, we limit what is acceptable for school
parties. For each child, parents may bring one healthy treat and drink (water or juice pouch is
recommended, no sodas). You must coordinate with your child’s teacher ahead of time to
confirm if you will be bringing something for your child’s birthday. Please bring enough for the
whole class and the teacher. Before you schedule something or bring a treat (the time and type of
treat/snack) must be cleared with the teachers. Most teachers will have a celebration at either
recess or at the end of the day, but to avoid overlap with other classes, please give teachers
advance notice. For bday parties held outside of school, no invitations can be passed out at
school unless all students in the class are invited. If you invite one, you must invite all, no
exclusions. The limit on parties at school is 15 minutes. Please do not bring cakes, cupcakes,
Krispy Kremes, etc. If you bring pretzels, fruit cups, veggies, or good bags, only store-bought
treats are allowed because some children may have allergies. Keep in mind that
some parents cannot afford big parties so we want to remain fair to all families. There will be no
eating in classrooms for parties, only on the benches outside. If teachers ever allow student to eat
in the class, the whole class is responsible for cleaning it and making sure the trash is taken out
by the end of the day to avoid rodent and pest control issues.

**Responsibility of Student:** The student is responsible to follow the safety rules and instructions
regarding coming to and going home from school. Reasonable precautions must be taken in the
care of personal property, labeling books and clothing, locking bicycles, etc. Students should
notify parents/guardians about any changes in the regular routine.

**Before School and At Dismissal:** Cars may be parked on 163rd St. but double parking is illegal
and may warrant a police citation. **NO PARKING** is permitted in the **ALLEY** behind the school.
Safeties are stationed at crosswalks to help regulate pedestrian traffic. Students should cross
only at these designated crosswalks. No cars should block the crosswalks. Please be aware of
street sweeping signs to avoid having your car towed. On School Mass days, all school gates
may be closed and locked by 8am to protect the safety of the school. After morning assembly,
parents are asked not to loiter at the school. Gates will be closed at 8:15 am on regular days and
parents may not be on campus unless they sign in as volunteers at the office or have official
business there. We appreciate your cooperation.

In the morning, both gates will be open and drivers are to follow the orange cones as indicated.
(See map in appendix section.). At dismissal time, three gates will be open. Please follow the
diagram and all traffic guards’ directions.

**PLEASE DO NOT ENTER THE 161ST STREET GATE BETWEEN 6:45 - 8:10 A.M. OR
12:00 - 3:15 P.M. DOUBLE LINES OF CARS EXIT THIS GATE AT THESE TIMES,
INCLUDING EARLY DISMISSAL DAYS. SPEED LIMIT IS 5 M.P.H. ENTRANCE IS
ONLY ON BERENDO FOR CARLINE DROPOFF AND PICKUP.**

Because many students come to school or go home in cars, congestion in the parking lot behind
the church is a problem. To attempt to alleviate the situation and to protect the children, the
school administration asks for cooperation in observing safe driving rules. Students with young
siblings are asked to meet the youngest child at their classroom so that families can sit in carpool
groups at pickup. This will ensure smooth carline procedures.
All are asked to conform to these regulations for the safety of our students. It is difficult to ask students to obey safety regulations if they see parents/guardians disregarding them. Please drive forward as far as possible before stopping to let your children out and unload backpacks.

Do not drop off student at improper places—on red zone, crosswalk, traffic lanes, instead of in a parking area.

**Leaving Grounds:** Students will not be allowed to leave the school grounds, except by previous arrangements made between parent/guardian and the school. No student should be absent from the school grounds for any reason without clearance from office personnel. This rule applies to all local businesses within walking distance of the school. Because of insurance coverage, students who leave the school grounds are ordinarily not permitted to re-enter the school premises. Student given permission to walk home or ride their bike home after school may only leave after the carline pickup has ended and must have signed a permission slip from their parents allowing them to do so. (See form at end of handbook or download from website). Without signed permission, students will not be allowed to leave until an authorized person picks them up. After carline, all students are asked to go to daycare, and applicable charges will be incurred by parents/guardians.

**ACADEMICS**

**Report Card Information**

**Frequency:** At St. Anthony of Padua, we give out report cards once a trimester. They are handed out during the week following the end of the grading period at an Awards Ceremony in the church, where Citizenship, First Honors, and Second Honors are also awarded to deserving students who earned them. Progress reports or failure notices are issued at the middle of each trimester. Open and frequent communication between teachers and parents/guardians is highly recommended and encouraged. Please be sure your child’s teacher has your most updated contact information and the best way to contact you. This can be given specifically to your child’s teacher at Back to School Night in September. Parents can also get email/phone notifications from Gradelink whenever a teacher adds or updates a grade. Your teacher has your child’s ID and Password so you can check his/her grades at anytime, except the small window when grades are closed before report cards are issued.
INTERPRETATION OF GRADES

St. Anthony of Padua Elementary School uses the Pupil Development Report of the Archdiocese of Los Angeles Elementary Schools. In Grades 3-8 the following is used:

A. Grades K - 2

Subjects: O = Outstanding; G = Good; S = Satisfactory; NI = Needs Improvement

Skills: + = Areas of Strength; Check = Areas for Improvement

The grades the students receive are based on the following criteria: oral reading, oral responses, class participation, and daily seatwork, which reinforce the skills taught.

B. Grades 3-8

<table>
<thead>
<tr>
<th>Subject Areas</th>
<th>Skill Areas</th>
</tr>
</thead>
<tbody>
<tr>
<td>A (93 -100)</td>
<td>O Outstanding</td>
</tr>
<tr>
<td>B+ (90 - 92)</td>
<td>G Good</td>
</tr>
<tr>
<td>B (87 - 89)</td>
<td>S Satisfactory</td>
</tr>
<tr>
<td>B- (85 - 86)</td>
<td>NI Needs Improvement</td>
</tr>
<tr>
<td>C+ (80 - 84)</td>
<td></td>
</tr>
<tr>
<td>C (75 - 79)</td>
<td>Average</td>
</tr>
<tr>
<td>C- (70 - 74)</td>
<td></td>
</tr>
<tr>
<td>D (65 - 69)</td>
<td>Poor</td>
</tr>
<tr>
<td>F ( 0 - 64)</td>
<td>Not Passing</td>
</tr>
</tbody>
</table>

The grades the students receive are based on the following criteria:

Tests, quizzes, and some written class work and homework are scored with a percentage, which is converted to a letter grade.

Class participation, book reports, projects, and compositions are graded more subjectively and therefore a letter grade is assigned. For these, the students know the expectations and must follow the guidelines set for the assignment.

In the subjects of music, art and physical education: O (outstanding); G (good); S (satisfactory); NI (needs improvement) or letter grades may be used to indicate student progress.

When a student misses tests and/or assignments, the student is given a week to make up the work before receiving a grade.

If a student is late with assignments because of lack of effort, the grade will be lowered. If assignments are not turned in a 0% grade is given.

Equally important are grades in the section dealing with effort, conduct, and home study. These give a better indication of the student’s attitude toward the learning situation provided in school. The effort mark is of utmost importance and should be carefully checked. The effort grade is interpreted as follows: O (outstanding); G (good); S (satisfactory) and NI (needs improvement).

Reports for Separated Parents: Special requests should be made to the office in writing when separate reports are needed for separated parents/guardians. Reports can be mailed.
Failing/Progress Reports: Reports are sent home at the mid-point of each report card period to inform parents/guardians of poor performance in academic subjects, conduct, or in attitudes and health.

Report cards represent a summary of an entire trimester’s work. Teachers send home student work each week, so parents/guardians must review this work on a regular basis to get a pulse on how the student is doing and what to expect during reporting periods. The level of parents’/guardians’ interest and support for their child can alter student academic performance in a positive way. Returned work and important school information is usually sent home in the yellow parent envelopes each Tuesday.

Excessive absences of fifteen or more days during a trimester may result in the holding of the report card grades until the work is made up.

Incomplete Grades: If the student does not complete the assigned work missed due to absence or other reasons, they will have appropriate time to make up their work. However, incomplete work not made up will be entered as a zero on the report card. A letter grade will be issued on completion of that work within the time designated by the teacher.

Awards:
In all grades emphasis is placed on enhancing each child’s self image. Citizenship Honors in grades three through eight will be awarded to those students who have earned and maintained an A average in both “Responsible Behavior” and “Work Habits and Study Skills” throughout a trimester. Academic First Honors will be awarded to students with A in Religion, reading, English, spelling, math, social studies, science, and music throughout a trimester. (A is an exceptional grade.) Academic Second Honors will be awarded to students who with no grade lower than B- in Religion, reading, English, spelling, math, social studies, science, PE, and music throughout a trimester.

Homework: The purpose of homework is to reinforce material already taught and to foster habits of independent study. The following guidelines apply:

Assignment of homework is usually limited to days on which the school is in session, unless make-up work or long-range assignments are required. Homework is not assigned as punishment. Exceptions are made for compassionate reasons upon request of the parent/guardians. Suggested homework schedules are as follows:
Grades K-2: optional, not to exceed one-half hour
Grades 3-5: not to exceed one hour
Grades 6-8: not to exceed two hours

This schedule does not mean that students will be assigned each night the exact amount of homework as the maximum limit. Schedule variations provide some time within the school day to accomplish some of the assignments.

Homework is the work of the student and often comprises reading and study rather than a written assignment. Parents/Guardians may help by supervision, interest and provision of quiet time and
place for study. Parents may not do a child’s homework, project, or assignment for the child. In all grades, the students should read every evening.

"Zero Tolerance Policy"

The Archdiocese of Los Angeles will not knowingly assign or retain a priest, deacon, religious, lay person or volunteer to serve in its parishes, schools, pastoral ministries, or any other assignment when such an individual is determined to have previously engaged in the sexual abuse of a minor.

Under the “Zero Tolerance Policy” of the Archdiocese of Los Angeles, any person guilty of sexual misconduct with a minor under the age of 18:

- May not have any paid or volunteer assignment in any "ministry" in the Archdiocese, and
- May not volunteer in any "non-ministerial" activity or event where he or she has any possibility of more than incidental contact or supervisory or disciplinary power over minors.

Any parent or guardian who is a registered sex offender must contact the principal to discuss the requirements in order to assure compliance with the Archdiocese of Los Angeles Zero Tolerance Policy.

As members of the Archdiocese of Los Angeles community, we want to assure that we are in compliance with both Megan's Law and our "Zero Tolerance Policy."

SAFE ENVIRONMENT TRAINING FOR CHILDREN AND YOUTH

Each school and religious education program must establish an ongoing safe environment training program for the children at its site. Home-based materials must be provided to all parents to help them understand and support their children's education regarding child sexual abuse. The approved programs include Good-Touch/Bad-Touch® and VIRTUS® Teaching Touching Safety (Mandated September 1, 2006).

Good-Touch/Bad-Touch® is being implemented in Grades K-9 in Catholic elementary schools throughout the Archdiocese of Los Angeles. The program is designed to be age appropriate, to support children in understanding occasions of abuse, and to give them confidence in reporting and asserting themselves in situations where they feel unsafe.

VIRTUS® Teaching Touching Safety is a K-12 program being implemented in religious education programs and Catholic schools. This program is a vehicle through which parents, teachers, catechists and youth ministers give children and young people the tools they need to protect themselves from those who might harm them.

The Archdiocesan Office of Safeguard the Children will work with principals at the schools and Directors of Religious Education in the parishes to establish these programs. Questions concerning this program can be forwarded to Chancellor, Coordinator of Children's Programs at (213) 637-7460.
GUIDELINES FOR ADULTS INTERACTING WITH MINORS AT PARISH OR
PARISH SCHOOL ACTIVITIES OR EVENTS

Revised August 20, 2007

Adults acting in a staff, faculty, ministerial or other paid or volunteer position in the
Archdiocese are role models who are called to treat each minor with respect and care.
Staff members, faculty or volunteers serving either in a paid or volunteer position need to
maintain professional relationships with minors whether on or off parish or parish school
locations. Please review the following guidelines and sign the "Acknowledgment of Receipt"
for the file at the parish or parish school where you work or volunteer.

- Staff members/faculty/volunteers will ensure that minors are properly supervised
  at all times, thus providing them a safe environment. Minors must be viewed as
  "restricted individuals" because they are not adults and are not independent.

- If staff members/faculty/volunteers who are supervising minors observe a
  situation where civil law, parish and/or school rules are being violated, they must
  take appropriate action immediately.

- Staff members/faculty/volunteers should always be aware they have considerable
  personal power because of their ministerial positions. Therefore, they will
  maintain respectful ministerial relationships, avoiding manipulation and other
  abuses of power.

- Staff members/faculty/volunteers must avoid assuming the role of a "father or
  mother figure" which may create an excessive emotional attachment for all
  parties.

- Attraction between adults and minors is possible, and care and caution should be
  taken in all interactions. The parish/school administration should be informed
  immediately if such an attraction exists. Dating or sexual relationships between a
  staff member/faculty/volunteer and a minor are inappropriate and unethical.
  Dating or sexual relationships between a staff member/faculty/volunteer and a
  minor are unlawful.

- Communications with minors (e.g., notes, email and internet exchanges,
  telephone calls) must be for professional reasons only.

- Discussions of a sexual nature must always take place in an appropriate
  educational context. Sexual jokes, slang or innuendo are inappropriate when
  interacting with minors.

- Staff members/faculty/volunteers will respect confidential information concerning
  minors or confidential information of a personal nature shared by a minor.
  However, if a minor shares confidential information that could pose a threat to the
  minor or to others, the staff member/faculty/volunteer has an obligation to notify
  the proper authorities.

- When staff members/faculty/volunteers are supervising minors or young adults at
  parish/parish school-sponsored activities, they may not be under the influence of
  alcohol, may not consume alcohol in the presence of persons under age 21, nor
offer alcohol to them.

- When a staff member/faculty/volunteer is alone in a room with a minor, the door must be open or there must be clear visibility through windows.

- Staff members/faculty/volunteers are to engage in games or sports activities with minors only in the presence of other adults, or in a place openly accessible/visible to others.

- Staff members/faculty/volunteers planning parish/parish school events in their homes with minors must have the permission of the parish/school administration. In addition, staff members/faculty/volunteers may not have any minor in their homes without the knowledge of the minor's parent or guardian.

- Staff members/faculty/volunteers may not drive minors unless it is to or from a parish/parish school-sponsored activity and may never drive alone with a minor. Driving minors requires parental permission slips that indicate the transportation is by personal vehicle. The parish/parish school administration must approve any use of personal vehicles. Trips involving minors must have a sufficient number of adult chaperones and minors to preclude the appearance of inappropriate personal involvement with minors.

- Parent or guardian written permission is required for the publication of a picture of a minor.

- Adults are permitted to interact alone with minor(s) only after complying with Archdiocesan policies regarding fingerprinting and safe environment training. They may work with minors only as part of a team if they have not these requirements.

**BOUNDARY GUIDELINES FOR JUNIOR HIGH AND HIGH SCHOOL YOUTH WORKING OR VOLUNTEERING WITH CHILDREN OR YOUTH**

*Revised August 20, 2007*

To ensure the safety of the children in the Archdiocese of Los Angeles, all youth volunteers, both junior high and high school students, including students who are already 18, who work or volunteer with children/youth in school or parish settings must receive training on these boundary guidelines before undertaking their ministry in the Archdiocese of Los Angeles and must sign this Code of Conduct form to verify that they understand their obligations.

We also understand and agree the parent or guardian will be notified at the time of any infraction requiring dismissal from any work or volunteer assignment at the school or parish or other setting where the student is working or ministering, and that he/she will be sent home at the expense of his or her parent or guardian.

PARENT/STUDENT COMPLAINT REVIEW PROCESS

Concern for the dignity and rights of each person are intrinsic to the Church’s mission as a true witness to the spirit of the Gospel. Circumstances may give rise to conflicts among students, parents and school staff. All parties are encouraged to use every available means to resolve these conflicts when they occur. However, if the involved parties are unable to resolve their conflicts, families may use the Parent/Student Complaint Review Process for additional assistance. All those participating in the Complaint Review Process are responsible to strive toward reconciliation and act in good faith. Legal representation is not permitted at any meeting or mediation of the Complaint Review Process. Any person filing a complaint is to be free from restraint, coercion, discrimination, or reprisal in any form.

School Level

The person bringing the complaint is encouraged to try to resolve the complaint by discussing it with the persons directly involved.

If resolution is not achieved, the complaint should be discussed with the principal (or the pastor, if the principal is the subject of the complaint).

For elementary schools, if the principal is unable to resolve the conflict, the principal will bring the pastor into the process as appropriate.

After reviewing the facts and facilitating discussion of the problem the principal will respond to the person bringing the complaint.

Department of Catholic Schools Level

- If the complaint is not resolved at the school or parish level, the complaint may be submitted in writing to the supervisor at the Department of Catholic Schools, outlining the concerns and reviewing the local process.

- The supervisor will review the complaint (with such consultation as may be appropriate) in a timely fashion and will endeavor to mediate and resolve the matter.

- However, if no agreement can be reached, the supervisor will make a final determination concerning the resolution of the complaint, based on the application of Archdiocesan and school policies and/or regulations, and communicate that determination, which will be final and binding, in writing to all parties.
Probation and Retention Policies

Students, who do not cooperate with the school program, either academically or behaviorally, may be placed on probation. This procedure requires close cooperation and consistent communication among teacher, principal, parents/guardians and the student. A student who is failing in two or more major subjects may be retained in that grade level after principal, teachers, and parents/guardians agree on how the students’ needs can best be met. A conference is held to analyze such problems and to explore alternative solutions. The principal, teacher, parent/guardian and student sign a report form summarizing the conference. They agree on a target date to provide a suitable length of time for the student to demonstrate improvement. During this interval, the teacher sends a weekly progress report to the parents/guardians. On the specific date, a second conference is held to assess progress to date. If necessary, an extension of time is allowed. If probationary measures are ineffective in correcting the problem, a transfer may be recommended, pending the Pastor’s approval.

After all steps are taken, students in this case, may be recommended to transfer to another school. An “F or NI” in conduct is unacceptable. Consequences for an “F/NI” in Conduct may include termination of enrollment at St. Anthony’s.

Transfer: If, due to moving or any other reason, the student transfers to another school, the parent/guardian may obtain a Pupil Accounting Form from the school office to present at the new school. St. Anthony School will forward a transcript of records after the new school requests it. If your child leaves before your tuition contract ends, the individual who signed the contract is responsible for the remaining balance.

Absence: Parents/Guardians of students are to notify the school office and the classroom homeroom teacher by phone, email, or in person before 8:30am on the day of each absence and state the reason. To ensure safety and whereabouts of the child the office staff or teacher personnel may contact you to confirm the absence.

Any student who has been absent is required to present to the homeroom teacher a written excuse signed by a parent/guardian stating the reason for the absence. These excuses shall be kept on file until the end of the school year. Any prolonged absence without prior notification to the school, exceeding 3 days requires a written note to be put in the student file.

If a student has had any contagious or communicable disease, a note from a doctor or health department must be presented before the student is re-admitted to class.

If a student of grades K-8 has been absent or will be absent for a number of days, a parent/guardian needs to clear this in writing with the principal and give teachers adequate time to prepare assignments. These absences should be kept to a minimum since the student misses the instruction that precedes the assignments. Additional work may be required upon the student’s return. Parents and students are responsible for asking teachers for all missed work and working with the teacher to complete all makeup work and test missed in a timely manner.

Tardy: A student is considered TARDY if he/she is not in line at morning assembly when the school bell rings at 7:50 a.m. Teachers will record attendance before morning prayer. Tardiness is recorded daily by teachers at 7:50am and then recorded on Gradelink by 8:30am on a student’s official attendance register. After every 3 tardies recorded in a trimester, students will
serve 30 minutes of Tardy Time during Detention on Wednesdays in the Learning Lab. Students serving Tardy Time and Detention on Wednesdays will meet the teacher on detention duty in the office at 2:30. The teacher will walk students to the Learning Lab and detention will end at 3pm. The Tardy Time count restarts every trimester, but will not affect the opportunity to receive Citizenship. However, if a child receives Citizenship for the first two trimesters yet has served 3 or more Tardy Times during Detention, they will not be eligible to receive FREE Fiesta wristbands during the 3rd General Parent Meeting, if bands are offered that school year.

Arrival and Dismissal Procedures

Carline Drop off in morning:

Always enter on Berendo St. gate only. Follow cones and directions of traffic safety guard. Be careful for children crossing or playing. There is only one exit out the gate open that leads to 161st St. Parking area is designated below. Those families with young children or people with disabilities may be directed to the handicap parking for easy access to the office or school building, so they can avoid crossing the street using a designated crosswalk.

Carline Pick up in afternoon:

Always enter on Berendo St. gate only. Follow cones and directions of traffic safety guards. Be careful for pedestrians crossing. Kindergarten and first grade students will stay in the classroom. Kinder and first grade Parents and guardians must park in the designated parking spot (guided by the traffic guards) and will always use crosswalks to pick up children. NEVER leave your car unattended with or without engine running and NEVER exit your car if you are in the carline pickup. The classroom teacher will walk your child over to you and open the passenger side door for safety and to keep the flow of traffic moving in a timely manner. It is recommended that carseats for school children are placed on the right hand side for easy entrance and safety during carline.

Families and carpools will sit together. Older siblings/carpool mates will meet their younger siblings/carpool mates at their classroom’s designated pickup area. The older students will not
enter classrooms but will remain seated. On rainy days, pull as close as you can to the breezeway so children do not get wet. Students will remain seated on their benches behind the cones.

You may exit out of any of the 3 gates as directed, but you MUST follow guards and the normal flow of traffic. Please do not speed. 5 mph is the maximum in our parking lot.

If you must park for any reason, please go around the cones, never cut through, and park near the first crosswalk closest to the church on the opposite side of cones. Guards will direct you. **Park only in the designated areas and ALWAYS use crosswalks.** There are 2: one by the elementary and one by the junior high. SAFETY FIRST PLEASE. Thank you for your cooperation.

**NOTE:** If students ride a bike, walk home, or ride the bus to and from school, parents/guardians must sign a waiver form, to release school of liability once the student leaves school property. For safety reasons, students may not leave campus until all gates are closed and carline is finished.
Permission Slip to Walk to School and/or Home (Grades 5-8 Only)

This form needs to be completed and on record with the school office for any child who will not be picked up in the school parking lot. Teachers will only release students to parents at cars following school dismissal guidelines or to a parent/guardian who walks to the school to pick up their child.

WORK PERMITS

Under California law and other relevant laws, a minor student may not work without a work permit issued by the appropriate authority. To obtain a work permit, certain information is required from the student’s school. Information regarding work permits and how to apply is available from the California Department of Education website: www.cde.ca.gov.

The minor/student, after obtaining a promise of employment, must obtain a “Statement of Intent to Employ Minor and Request for Work Permit.” The minor, the employer and the parent or guardian must each complete their sections and submit the completed application to the school. The school will verify the information entered on the application by the minor and parent or guardian and will also examine the student’s records and consult the teacher to confirm the student’s satisfactory academic achievement to date. The student must then submit the form to the “work permit issuing authority.” If all requirements are met, the work permit issuing authority may issue the “Permit to Employ and Work.” The “work permit issuing authority” is the Superintendent of the local public school or those persons authorized in writing by the Superintendent to issue the permit.

A copy of the signed work permit must be kept in the student’s file.

For additional information and forms see http://www.dir.ca.gov/DLSE/ChildLaborPamphlet2000.html

PRIVACY AND ACCESS TO RECORDS

Maintaining confidentiality is the legal, ethical and professional responsibility of every member of the school community, including students, parents or guardians, teachers, aides, and all other employees. Every member of the school community must respect the privacy of all students, families, employees, the principal and the pastor.

Pupil Records

“Pupil records” means any record related to a student that is maintained by a school or one of its employees. It includes health records. It does not include “directory information” or a school employee's informal notes, if the notes remain in the sole possession of the maker and are not made available to others, except to a substitute.

Only the principal, as custodian of the records, authorizes the release of pupil records. Only teachers or administrators charged with pupil oversight have the right to view or use pupil records. A teacher’s aide may view or use pupil records only with direct teacher supervision. Pupil records may be released by judicial order such as a subpoena or a search warrant. In specific cases, such as suspicion of kidnapping, police officers may be given access to records.

Parents and legal guardians of minors have the absolute right to access their child’s pupil records in accordance with the school’s reasonable procedures for providing such access. Parents or legal guardians may grant any specified person written consent to access specifically identified pupil records. In cases of legal separation and/or divorce, California state law gives the custodial parent and a non-custodial parent with visitation rights, the right to access and examine pupil records. However, only the custodial parent may consent to the release of records and has the
right to challenge the content of the records and to write responses to information regarding disciplinary action. A noncustodial parent without visitation rights has no right of access to records of any kind.

**Directory Information**

"Directory information" means one or more of the following items: pupil's name, address, telephone number, date and place birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the pupil. This is also known as a family contact list.

The school will, to the extent possible, minimize access to student telephone numbers or personal email addresses, unless the parents or legal guardians consent to broader access. To the extent possible, users should try to minimize access to or distribution of student telephone numbers or personal email addresses, unless the parents of legal guardians consent to broader access.

Room parent rosters, class lists, telephone numbers, email address lists or any other personal information about families and students are considered confidential and may be used only for the purposes specified. In no cases should commercial enterprises be given access to Directory Information.

**Verbal/Written Confidences**

Confidential information may be provided by students or parents or guardians to school employees in many ways. Students may confide in staff verbally, in writing, such as a note or a writing/journal assignment. All school employees must respect the verbal or written confidences of adults and students, except in cases where the health or safety of the student or others is involved. If the confidence received relates to a health or safety issue, the pastor, principal or other person in charge or appropriate authorities must be notified promptly, keeping in mind the rights of privacy that apply. Archdiocesan policy on reporting suspected abuse of children or vulnerable adults must be followed when applicable.

**Withholding of Records**

Under California law, a private school cannot refuse to provide student records to a requesting school because of any charges, including tuition or fees that are owed by the student or parent. However, the school may withhold from parents or guardians the grades, diploma, or transcripts of a pupil pending payment of certain amounts for damaged property, the return of loaned property or unpaid tuition or fees, in accordance with school policy.

**STUDENT ACCIDENT INSURANCE**

The Student Accident Insurance Program is provided for all full time students in archdiocesan schools/parish. This program assists only with medical expenses incurred because of accidental bodily injury sustained by students while attending school, while traveling to or from school or while participating in a school sponsored and supervised activity, including school sponsored sport and extended day programs.
ACADEMICS AND CO-CURRICULAR ACTIVITIES

TUTORING

- If a student requires private tutoring or parents wish to have a student tutored in school subjects, the parents are responsible for engaging the tutor and paying all tutoring costs. The school may assist the parents in identifying tutoring resources.

- Teachers may not be paid for tutoring students assigned to their classes. With prior permission from the principal, teachers may tutor other students who attend the school and be paid for such tutoring by the parents.

- A school may arrange with independent contractors or entities, who are not teachers or staff at the school to provide tutoring on a fee basis. Independent entities must have appropriate licenses, agreements for use of the premises and insurance.

- All tutors and entities must comply with the procedures and policies of the extended school day program and the Archdiocesan Guidelines for Adults Interacting with Minors at Parish or Parish School Activities or Events.

COUNSELING POLICY

The mission and purpose of the school is education. Schools do not assume the responsibilities proper to the family and to society. Schools may not assume the responsibility for psychological counseling or therapy because they are not qualified or licensed to provide such counseling or therapy.

Schools may engage in the following activities in addition to providing classroom instruction:

- Provide advice regarding academic subjects and student progress in school;

- Give limited guidance to students who present with non-academic personal issues or situations;

- Provide referrals to marriage and family counselors, child psychologists, licensed academic psychologists, psychiatrists and similar professional for diagnosis and treatment. If the school provides referrals to parents, the list must include at least three names of qualified persons or entities;

- Provide career counseling through career information centers and plan periodic career days or career sessions during which students meet representatives of different professions;

- Retain, where necessary, appropriate professionals to provide educational testing that is needed for assessment of a student’s academic ability, learning patterns, achievement motivation, and personality factors directly related to academic learning problems, or psychological counseling services for the school. Prior to entering into such a contractual relationship, the principal will ensure that the
person is credentialed, licensed or otherwise properly qualified. The school may refer a student for specific or additional testing, as appropriate, generally at the parent or guardian’s expense.

- Provide high school and college counseling, including providing information to parents and students about high school and college application procedures, entrance exam tests, scholarships and financial aid. Schools may also provide high school college and university catalogs and information sessions.

In cases of actual or suspected child abuse or neglect or abuse of vulnerable adults, the Archdiocesan Victims’ Assistance Ministry is available as a resource. The Victims’ Assistance Ministry provides outreach and guidance to those suffering from abuse; sponsors a faith-based trauma recovery program; and assists in informing parish, school, archdiocesan and governmental authorities of the allegations of abuse or neglect. Referral to the Victim’s Assistance Ministry is not a substitute for mandated reporting of suspected abuse. Such a report must be made in accordance with Archdiocesan policy.

**DISCIPLINE**

Discipline in the Catholic school is an aspect of moral guidance and not a form of punishment. The purpose of discipline is to provide a school climate conducive to learning and one that promotes character development.

Discipline is maintained in a classroom or school when students work cooperatively with the principal, the teachers, and their classmates towards the attainment of the class and school objectives. However, it should be noted that the legitimate interest of the school extends beyond the school day and beyond the school hours.

**MAINTENANCE OF EFFECTIVE DISCIPLINE**

Effective discipline is maintained when there is:

- Reasonable quiet and order in the building
- Positive correction of behavior and positive reinforcement
- Constant encouragement of acceptable classroom conduct
- Firm but fair treatment of difficult students
- Consistent follow through
DISAPPROVED DISCIPLINARY MEASURES

The following disciplinary measures are forbidden:

- All corporal punishment, including shaking and slapping is unacceptable
- Language that is sarcastic or calculated to bring ridicule on the student, his or her parents, or background
- Using religious exercises or important class assignments as punitive measures
- Bizarre and unusual punishments
- Withholding or altering rightfully earned academic grades
- Any disciplinary action that isolates a student without proper supervision

Discipline Policy:

Code of Christian Responsible Behavior

Students and Parents/Guardians

The students’ interest in receiving a quality, morally based education can be served when students, parents, and school officials work together. Normally, differences among these individuals can be resolved. In some rare instances, however, the school may find it necessary, at its discretion, to require parents/guardians to withdraw their child/children.

It shall be an express condition of enrollment that the students behave in a manner, both on and off campus that is consistent with the Christian principles of the school as determined by the school at its discretion. These principles include, but are not limited to, any policies, principles or procedures set forth in any student/parent handbook of the school.

It shall be an express condition of enrollment that the parents/guardians of a student shall also conform themselves to the standards of Responsible Behavior that are consistent with the Christian principles of the school, as determined by the school at its discretion. These principles, include, but are not limited to any policies, principles or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.

Any misgivings that a parent might have regarding a teacher, homework, student behavior, uniform, etc. should not be discussed in front of the child, but rather discussed at a Parent-Teacher or Parent-Administrator Conference. Parents are expected to support the Administration, the Faculty, and the Staff in their efforts to enforce the policies of the school. To preserve and promote the positive environment of St. Anthony of Padua School Community, parents who express ongoing negativity and dissatisfaction are encouraged to pursue other educational
options for their children. Any form of harassment towards an administrator, a teacher, another parent, or one of our students may be grounds for dismissal from the school.

Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.

Any parent, guardian, or other person who insults or abuses any teacher in the presence of other school personnel or students and at a place, which is on school property, near school, or at some other location in connection with school activities, is guilty of a misdemeanor. (California Education Code, sections 44810, 44811)

These expectations for students and parents/guardians include, but are not limited to all school sponsored programs and events (e.g., extended care, athletics, field trips, etc.).

The school reserves the right to determine, at its discretion, which actions fall short of meeting the Christian principles of the school. Failure to follow these principles will normally result in a verbal or written warning to the students and/or parent/guardian and normally will first result in disciplinary action short of a requirement to withdraw from the school (e.g., suspension of student or suspension of parent/guardian’s privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, etc.).

The school reserves the right to determine, at its discretion, when Responsible Behavior is of such a severe nature as to warrant immediate action without a warning and/or without an intermediate step short of a withdrawal.

**BEHAVIOR/DISCIPLINE**

Discipline in our school is an essential part of Christian development. The purposes of discipline at ST. ANTHONY OF PADUA are:

1. To provide a classroom environment conducive to learning,

2. To educate students in an appreciation of the importance of developing Christian values, responsibility, and self control; and

3. To help build a sense of Christian community. At St. Anthony of Padua School, our staff strives to work in a positive way with our students to help them appreciate and grow in respect and responsibility toward God, their country, themselves, and each other. Ultimately, a student is accountable for his/her behavior and will assume the consequences of his/her actions.

**Behavioral Expectations**

The following expectations apply to students at every level.

- Students may not disrupt the classroom atmosphere by inappropriate behavior. This includes smart remarks to make others laugh, name calling, passing notes, chewing gum, or disruption of any kind. *TRIBES agreements* will be followed by all stakeholders in the school: **Mutual Respect, Attentive Listening, No put-downs/show appreciation, Right to Pass, Personal Best**

- Students may not open mail addressed to their parents.
• No unauthorized use of school computers including disclosing your log-in information, using another student’s log-in, or inappropriate searching on the internet is permitted.

• The lunch area and other school areas must be kept neat and clean. Every student is responsible for the neatness of our school. All food must be eaten while seated in designated areas at recess, lunch, after school, and may not be eaten between classes or in the classroom.

• Students with uniform or haircut violations will remain in the office until their parent brings them the missing part of the uniform and/or takes them for a regulation haircut.

• Running on campus is never permitted unless you are involved in an organized activity. No students are allowed in any building, including the Parish Hall, without an authorized adult.

• Sunflower seeds and gum are never permitted on the school property.

• Skateboards, Razors, Rollerblades, etc. are never to be used anywhere on the school property. These items will be impounded and released only to the student’s parent(s) if this rule is violated.

• The defacing of school property is strictly forbidden. A referral and restitution or replacement is expected for these infractions.

• Permission from the Administration is needed for students to leave campus.

• When traveling through the school courtyards during instructional time, students are expected to do so in a quiet and reverent manner.

• During school, students may not turn on or use cellular phones while on campus. Students may not use cellular phones during school-sponsored events. Electronic games, equipment, radios, iPods, laser pointers, etc. are not allowed at school. The school is not responsible for such belongings. The student will receive a detention that counts towards a disciplinary referral for breaking this rule. These items will be impounded and released only to the student’s parent(s) if this rule is violated.

• Students are responsible for their belongings. If items are left out after 3:00 P.M. they will be taken to the school’s lost and found in the day care room.

• Students are expected to speak in formal language with adults, e.g. “Yes, Ms. Jones,” “Excuse me, Father” “Thank you,” etc. “Yeah, uh huh, etc.” are not formal or respectful language.

• Additional policies and procedures are stated in the classroom by each respective teacher:
Administrative Discipline Procedures

Detention:

In the event of unacceptable behavior, attempts are made to redirect the behavior through personal conferencing with the student, parental contact, or counseling. A detention is a disciplinary procedure taken by any member of the faculty, staff, or member of the Administrative Team. Detention may be assigned for a number of minor infractions, or for any other appropriate reason determined by an instructor. During the detention the students sit quietly and perform an age-appropriate task assigned by the teacher. Students who are tardy to detention may receive another detention on their record counting towards a referral or serve the detention on the following week per the Administration’s direction. Continual failure to report to detention results in a disciplinary referral. Detention may be from ½ hour to 1 hour in length (junior high).

Referral:

A referral is a disciplinary action taken by the Administrative Team member for violation of major school regulations. Two (2) referrals result in a conference among the Administrative Team, Parent(s), and the student and immediate suspension of the student for one day. A referral impacts the composite conduct grade, which appears on the student’s learning evaluation (report card). The following items are considered inappropriate behavior and may merit an immediate referral:

• disrespect toward administrators, teachers, staff, and visitors;

• fighting, provoking a fight between other individuals, or participating in activities which incurs physical or harm or violence to any person or the potential to incur physical harm or violence;

• stealing or damaging property of the school or of another student, visitor, or school personnel;

• using unacceptable conduct or language (verbal or written) at school or at a school sponsored event;

• deliberate lying and/or the falsifying of information; cheating, plagiarizing, or copying another student's work, (this includes the loss of credit for the assignment or test for the student);

• entering a building unaccompanied without permission by an authorized adult;

• an accumulation of three (3) detentions counts toward a referral.

* Referrals issued during after-school activities in which the children represent the name and reputation of the school, e.g. the After-School Sports Program, Decathlon, etc. may receive a regular referral that impacts the conduct grade on the report card, as well as eligibility to participate in that particular school sponsored activity.

Suspension:

It is a privilege to attend ST. ANTHONY OF PADUA School. The reasoning behind suspension is not to waste a day or to create a “day off from school.” It is to give the student the experience of what it is like to be separated from his/her friends, teachers, coaches, activities, etc. while not being ill. If the student continues to demonstrate inappropriate behavior, the real and eventual
consequence is that he/she will be permanently separated from the ST. ANTHONY OF PADUA School community and all of its privileges. Parents will be contacted by a member of the Administrative Team to inform them of their child’s conduct record. Suspension (grades 4-8) is the exclusion from regular school activity for a period of one, two, or three days, to be determined by the Administrative Team.

Two (2) disciplinary referrals automatically result in a one-day in-school suspension. Parents are informed of the suspension in writing and/or by telephone and are given an appointment date and time with members of the Administrative Team prior to the reinstatement of the student at school. The student may make up all daily assignments for full credit. A suspension may also follow any single referral at the discretion of the Administrative Team, depending on the nature of the circumstance. Following a third referral the student is suspended at home for a period of three days and the parents are informed of the consequences following a fourth referral. If a student receives a fourth referral, the Administrative Team will inform the parents that he/she has “used up his/her chances for this year” and will be asked to withdraw from the school.

Voluntary or Involuntary Removal (Expulsion):

Expulsion is the permanent termination of student status at ST. ANTHONY OF PADUA School without the possibility of readmission. Involuntary withdrawal may be the consequence of four (4) disciplinary referrals or a very serious incident for which the Administrative Team believes “immediate withdrawal” may be required. Actions that may require immediate withdrawal include, but are not limited to:

- actions gravely detrimental to the moral and spiritual welfare of the students;
- possession of weapons, “weapon-like or look-alike items,” fireworks, or drugs of any size, shape, or form;
- physical abuse, verbal abuse, bullying, and/or intentionally inflicting physical harm on any student, teacher or staff member;
- smoking, drinking, and/or being under the influence of an alcoholic beverage at school or at a school sponsored event;
- theft and/or defacing school property or property belonging to others;
- leaving school grounds without permission of school personnel;

The decision to require a student to withdraw is neither casual nor insensitive to the needs of the child/family involved. The Administrative Team works together with the teachers, the parents, and most importantly, the student to determine the best course of action. The individual situation of the child is carefully considered, but the Administrative Team is also obliged to consider the best interests of the entire school community.

*Personal attacks or harassment of any teacher by a parent, harassment of another parent or a student, in lieu of proper conflict resolution may result in “withdrawal”.

**Parents are expected to support the Administration, the faculty, and the staff in their efforts to enforce the various policies of the school. Overt harassment towards an Administrator, a teacher, another parent, or one of our students may be grounds for dismissal from the school. Any
decision regarding such dismissal is made carefully by all members of the Administrative Team who take into consideration the interests of all parties involved.

In Summary:

- Minor Infractions: 3 minor infractions will result in a detention

- Detention: 3 detentions will result in first referral, 6 detentions will result in second referral, 9 detentions will result in third referral, 12 detentions will result in fourth referral

- Referral: 2 referrals will result in one day in school suspension, 3 referrals will result in 3 day out of school suspension, 4 referrals will result in withdrawal from school

- Suspension: first suspension will result in a one day in school suspension, second suspension will result in three days out of school suspension

- Withdrawal: voluntary or involuntary removal from the school.

EXPULSION

Reasons for Expulsion

Reasons for expulsion are, but are not limited to, the following offenses committed by students:

- Actions gravely detrimental to the moral and spiritual welfare of other students
- Habitual profanity or vulgarity
- Assault, battery or any threat of force or violence directed toward any school personnel or student
- Bullying, harassing or hazing school personnel or other students
- Open, persistent defiance of the authority of the teacher
- Continued willful disobedience
- Use, sale or possession of narcotics, drugs or any other controlled substance
- Use, sale, distribution, or possession of any alcoholic beverages on or near school premises
- Smoking or having tobacco
- Stealing
- Forging signatures
- Cheating or plagiarism
- Willful cutting, defacing or otherwise injuring in any way property, real or personal belonging to the school
- Habitual truancy
- Possession of harmful weapons (e.g., knives, guns, etc.) or materials that can be used as weapons
- Membership in, active involvement in, or affiliation with a gang or group responsible for coercive or violent activity
- Actions in or out of school which are detrimental to the school’s reputation
- Violation of the Electronic Use policies and guidelines
- Inappropriate conduct or behavior unbecoming a student in a Catholic school.
Procedure for Expulsion

Except in cases involving grave offenses, the following steps must be taken:

- A conference must be held with the parents or guardians, student, teacher, and principal present to advise the family that serious action is contemplated unless there is immediate improvement in behavior. In parish schools, the pastor should be notified of the conference, given an opportunity to attend and provided a report of the discussion.

- If there is no improvement in behavior, the final decision will be announced at a second conference attended by the principal, teacher, and parents or guardians. If the parents fail, without cause, to attend the conference, the pastor, principal, and teacher will reach a final decision. The final decision rests with the pastor in consultation with the principal.

- In no case will a teacher on his or her own authority expel a student.

- Full credit will be given for all work accomplished by the student up to the moment of expulsion.

Written Record

A written record of the steps leading to expulsion must be kept on file with copies of all communications and reports. The following form should be used, one copy kept on file and a copy mailed to the supervisor at the Department of Catholic Schools.

Cases Involving Grave Offenses
• In cases involving grave offenses, which may include a violation of criminal law or actions so outrageous as to shock the conscience or behavior of the community, the student is immediately suspended and there is no requirement to hold the initial parent-principal conference.

• The procedure involving cases of grave offenses should be followed when the continued presence of the student at school (even for a short period of time) will, in the reasonable judgment of the principal, pose a serious threat to the health and welfare of another student or students, or faculty members.

• When immediate suspension is imposed, with probable expulsion, while the case is being investigated, the rules and the consequences of the violation should be clearly explained to the student and parents or guardians.

Time of Expulsion

• An expulsion may be made immediately if the reasons are urgent

• Only in exceptional cases shall expulsion of an eighth grade student who has been in the school one or more years be allowed

• If an expulsion is to take place during the last quarter of the school year or during the last semester in the case of an eighth grade student, prior approval of the Department of Catholic Schools is required before the expulsion can take effect

• If such action is contemplated, approval shall be obtained before the announcement of the final decision to the parents at the meeting described below

Reporting of Expulsions

• All expulsions even if they occur at the end of the year, are to be reported by telephone to the elementary supervisor at the Department of Catholic Schools within 24 hours. The elementary school written report, Notice of Dismissal, should be mailed promptly to the supervisor.

• The County Office of Education shall be notified immediately of expulsions. A copy of the *Cumulative Student Record* should be held until requested.

Right to Make Exceptions

The principal, in consultation with the pastor if a parish school, retains the right to make exceptions in cases where mitigating circumstances call for a different response than policy suggests.

Home Study

Circumstances may arise which dictate that a student, at the discretion of the principal, be excluded from school attendance for a period of time. This is a remedy for unusual situations and is not considered a suspension. Students may be given tests, etc. outside school hours so that grades can be reported.
HARASSMENT, BULLYING AND HAZING POLICY

St. Anthony of Padua School is committed to provide a safe and comfortable learning environment that respects Christian values and is free from harassment, bullying or hazing in any form. Harassment, bullying or hazing of any student by any other student, lay employee, religious, clergy, or school volunteer is prohibited. The school will treat allegations of any such conduct seriously and will review and investigate such allegations in a prompt, confidential and thorough manner. This policy shall be communicated clearly to faculty, staff, volunteers, parents or guardians and students.

Substantiated acts of harassment, bullying or hazing by a student will result in disciplinary action up to and including dismissal of the student. Students found to have filed false or frivolous charges will also be subject to disciplinary action up to and including dismissal. For students in grades K-3, this disciplinary action shall depend on the maturity of the students and the circumstances involved. For students in grades 4 through 8, the disciplinary action may include suspension or dismissal.

**Harassment** occurs when an individual is subjected to treatment or a school environment that is hostile or intimidating. It includes, but is not limited to, any or all of the following:

- Verbal harassment: Derogatory comments and jokes; threatening words spoken to another person.

- Physical harassment: Unwanted physical touching, contact, assault, deliberate impeding or blocking movements, or any intimidating interference with normal work or movement.

- Visual harassment: Derogatory, demeaning or inflammatory posters, cartoons, written words, drawings, and gestures.

- Sexual harassment: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.

**Bullying** is the habitual harassing, intimidating, tormenting, browbeating, humiliating, terrorizing, oppressing and/or threatening of another person. Bullying typically consists of direct behaviors, such as teasing, taunting, threatening, hitting, shoving, and stealing that are initiated by one or more students against a victim or victims. In addition to direct attacks, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated through intentional exclusion. Whether the bullying is direct or indirect, the key component of bullying is physical or psychological intimidation that occurs repeatedly over time to create an ongoing pattern of harassment and abuse.

Students also may be involved in cyber-bullying, which occurs when they bully each other using the Internet, mobile phones or other cyber technology. This can include, but is not limited to:

- Sending inappropriate text, e-mail, or instant messages.
• Posting inappropriate pictures or messages about others in blogs or on Web sites.

• Using someone else's user name to spread rumors or lies about someone.

**Hazing** is any method of initiation or pre-initiation into a student organization or student body or any pastime or amusement engaged in with respect to these organizations which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm, to any student or other person.

It is the responsibility of the school to:

• Establish practices and provide staff development training and age-appropriate information for students, designed to create a school environment free from discrimination, intimidation or harassment.

• Make all faculty, staff, students, parents or guardians, and volunteers aware of this policy and the commitment of the school toward its strict enforcement.

• Remain watchful for conditions that create or may lead to a hostile offensive school environment.

It is the student’s responsibility to:

• Conduct himself or herself in a manner that contributes to a positive school environment.

• Avoid any activity that may be considered discriminatory, intimidating, harassing, bullying or hazing.

• If possible, inform the other person(s) that the behavior is offensive and unwelcome.

• Report all incidents of discrimination, harassment, bullying or hazing to the principal or teacher.

• As appropriate, the students involved may be asked to complete a formal, written complaint which will be investigated thoroughly and will involve only the necessary parties. Confidentiality will be maintained as much as possible.

**STUDENT THREATS**

All threats by students to inflict serious harm to self or others, or to destroy property, will be taken seriously. Whoever hears or becomes aware of any threat made by a student should immediately report it to the pastor, principal, or a teacher. The principal will notify the police and the Department of Catholic Schools immediately.

The student who has made the threat will be kept in the school office under supervision until the police arrive. The parents or guardians of the student who has made the threat will be notified. Any adult or student who has been identified as the potential victim, or mentioned in writing as a potential victim, will be notified immediately.
The student who has made the threat will be suspended until the investigation by the police and school has been completed.

The decision to re-admit a student who has made a threat will be made by the principal and pastor on a case-by-case basis.

Practical jokes or offhand comments of a threatening nature will be taken seriously and will be investigated. The police may be notified and these actions may result in suspension or removal of a student from school.

**SCHOOL SEARCHES**

A student’s legitimate expectation of privacy in their person and in the personal effects they bring to school must be balanced against the obligation of the school to maintain discipline and to provide a safe environment for the school community. Accordingly, school officials may conduct a search of the student’s person and personal effects based on a *reasonable suspicion* that the search will disclose evidence that the student is violating or has violated the law or a school rule.

School officials do not need a warrant or a parent’s permission to conduct a search of the student and/or the school’s or a student’s personal property, as long as they have a reasonable suspicion that a law or school rule is being or has been violated. Whenever a school principal conducts a search of a student’s person or personal effects, an adult witness should be present. Students do not own their lockers or other school property. Lockers are made available to the student by the school. The student does have some expectation of privacy in his or her locker from other students. However, a student may not exclude school officials if the school official has a reasonable suspicion that a law or school rule has been violated. A student has a greater expectation of privacy concerning his or her backpack, purse, clothing and other personal effects.

A school official who finds it necessary to conduct a search of a student’s backpack, purse, clothing or personal effects, must have a reasonable suspicion that the student is violating or has violated a law or school rule. The student’s parents should be notified of any such search.

An alert from trained and certified detector dog is sufficient to allow the school official to have a reasonable suspicion and to conduct a warrantless search of the student’s locker, car or his or her personal property and effects. In addition to this policy on searches by the school, every student is subject to the Archdiocesan and school use and privacy policies concerning cell phones and other electronic devices, whether the devices belong to the school or to the student.

If a student refuses to cooperate in a reasonable search of the school or student property (including electronic devices), the student’s parents and/or the police may be called for assistance or referral.

In the event that any items belonging to a student are confiscated, the principal should document that fact and, when possible, take a photograph of the place where the confiscated object was found and of the object itself. It is also recommended that the school obtain a signature from the student acknowledging that the item was in his or her possession at the time it was found.
Rules of Use of Student Locker

Rules:
- Food or drinks are only allowed in locker during school hours.
- Lockers are not to be shared.
- Lock combination should not be shared with other students.
- Lockers should not be vandalized in any way.
- Only combination lock will be used.
- Combination must be given to administration before placing lock.
- Teachers/administration has the right to search locker at their own discretion.

If students fail to comply with the rules and stipulation of the locker student will lose the privilege of having a locker.
The school is not held responsible for items left in lockers.
No student will be allowed to put a lock on locker until a combination has been given to administration.

I have read and understood the rules and stipulation of using a school locker.

FIELD TRIP POLICIES

The field trip policies listed below apply to class trips, school group trips (e.g. choir, academic decathlon) and trips for school sport teams.

Schools may plan field trips for one of more days including overnight field trips. Schools, at their option, may decide not to offer overnight field trips. All field trips, whether day or overnight must comply with the following requirements:

- For trips outside the 100-mile radius of the school, guidelines must include consideration of the ability of parents to incur cost, the financial impact of the trip on other school fundraising activities and class work missed by students
- State law requires that a first aid kit be immediately available to the supervising adult on all excursions and field trips. First aid kits must be carried in all vehicles transporting students to school sponsored activities. Student emergency information must be immediately available to the supervising adult. At least one adult chaperone shall be in possession of a cell phone. A snake bite kit must be included in any area where there may be poisonous snakes.

TRANSPORTATION POLICIES

- Transportation may be by personal car, school or chartered bus or van, boat, or air plane.

Starting August 31, 2015 HAPPY LUNCH CO will process all lunch forms.
These are some of the changes you need to know:

- Please return Lunch Order Form to the office on due date. Menu can be found website or in parent envelope each month.

- No credits will be given for field trips. If you know your child will go on a field trip, please do not order lunch on those dates.

- We will give credit if your child is absent from school. Please take the credit on the next lunch form. Example: If you pre-ordered 20 meals in September and your child was absent two days in September you have two credits for October. You pre-order 18 meals on the October menu but you will pay for only 16.

- For all the students who purchase meals on a daily basis: Students will now need to pay during recess break at 10:00 am. A Kitchen staff member will be taking your payment by the benches near the office and your child will receive a red ticket. The red ticket needs to be presented in the cafeteria during lunchtime.

- Dessert will be discontinued from the meals. Instead we will offer yogurts or Jell-O. Only on Fridays we will serve ice cream.

- We are not going to provide IOU lunches. Please be sure to provide your child with a sack lunch. An emergency meal will be available for $4.25 and has to be paid on the next business day. Happy Lunch will invoice you, not the school.

- Do not worry, the way we process the hot lunch payment is the same way the school did before.

- We will charge a fee of $25 for any check returned unpaid by the bank.

- Any questions, please call 626-549-7906 or email Gabriel Rivas at gabriel281@verizon.net

The following practices shall be observed in all summer programs:

- All summer programs shall have a budget that includes payroll, classroom materials, student activities, school maintenance costs, and utilities

- Students enrolled in the regular school program are automatically covered by school insurance. Prior to the beginning of summer activities, a listing of non-covered students (i.e., students from other schools) shall be sent to the insurance carrier accompanied by the special coverage fee.

- All summer program finances shall be posted in the school ledger

- The summer program staff shall participate in an orientation that includes:
  - The mission of the Catholic school
  - Child abuse reporting requirements; Safe Environment and the Archdiocesan Guidelines for Adults Interacting with Minors
  - Field trip policies
  - Safety and health procedures, i.e., first aid and CPR

- Parish, school and archdiocesan systems, devices and materials are not private and security cannot be guaranteed. Passwords and user IDs are designed to protect confidential information, not to provide users with personal privacy. User account passwords for systems not controlled by a centralized user directory or authentication system must be on record with the pastor, principal or other person in charge at the parish, school or archdiocesan department.

- Minors may only access the Internet from devices with updated and functioning filters for prohibited content. All obscene materials, child pornography or materials that are otherwise harmful to minors or in violation of this electronic communications policy must be blocked. Before allowing minors to access the Internet, a responsible person must ensure that content filters are “ON.”

- Content filters for minors may NOT be disabled or turned “OFF” without obtaining prior permission from the archdiocesan Applied Technology Department or the person with equivalent authority at the parish or school.

- All files downloaded from the Internet, all computer disks received from outside sources, and all content uploaded from portable memory devices must be scanned with updated/current virus detection software. Immediately report any viruses, tampering or other system breaches to the person in charge at the parish, school or archdiocesan department.

- Parishes, schools and the archdiocese reserve the right to monitor, access, retrieve, read and disclose all content created, sent, received, or stored on parish, school or archdiocesan systems, devices and materials (including connections made and sites visited) to law enforcement officials or others, without prior notice.

4. **Guidelines for E-mail correspondence and other electronic Communications**

- All users of parish, school or archdiocesan communications systems and devices should use care in creating e-mail, text, instant or voice mail messages. Even when a message has been deleted, it may still exist on a backup system, be restored, be printed out, or may have been forwarded to someone else without its creator's knowledge. The contents of e-mail and text messages are the same as other written documentation and cannot be considered private or confidential.

- E-mail and other electronic communications are not necessarily secure.

- As with paper records, proper care should be taken in creating and
retaining electronic records for future use, reference and disclosure, as applicable.

- Postings to "All Employees," “All Parents” “All Parishioners” and the like on intranets or the Internet or the World Wide Web must be approved by the pastor, principal or other person in charge at the parish, school or archdiocesan department before they are sent out.

- Use of personal electronic communications devices (cel phones and iPads) and materials during regular business hours should be kept to a minimum and limited mainly to Emergencies.

5. Prohibited Practices:

Users of parish, school or archdiocesan electronic communication systems, devices or materials and users of personal devices and materials on parish, school or archdiocesan premises, during normal business hours or under circumstances when the parish, school or archdiocese may become implicated in the use, may not:

- Violate any federal, state or local laws, regulations, rules of conduct, codes of ethics, safe environment or any educational rules.

- Post or distribute personal contact information about the user or others without permission or review by a responsible adult person, unless required by the user’s job duties or assigned responsibilities. Personal contact information includes names or screen names; telephone numbers; work, home or school addresses; email addresses and web addresses (URLS) of social networking sites or blogs.

- Post or distribute communications or pictures which a reasonable person, according to the teachings of the Roman Catholic Church, would consider to be defamatory, offensive, harassing, disruptive, derogatory or bullying. This includes, but is not limited to, sexual comments or images, racial or ethnic slurs, or other comments or images that would offend someone on the basis of race, creed, gender, national origin, sexual orientation, age, political beliefs, mental or physical disability, or veteran status.

- Engage in improper fraternizing or socializing between adults and minors. Minors may not agree to meet someone they have met online without their parents’ approval and the presence of a parent at any meeting.

- Engage in pirating or unauthorized distribution (such as “podcasting”) of copyrighted materials, music or film; arrange for the purchase or sale of any drugs, alcohol, or regulated substances and goods; or participate in internet gambling.

- Post chain letters or engage in “spamming” (sending annoying, unnecessary or unsolicited commercial messages); repost a message that was sent privately without permission of the person who sent the message.
• Record any telephone or other conversation without the express permission of the other participants to the conversation except where allowed by law.

• Use electronic communications devices for designing, developing, distributing or storing any works of programming or software unless explicitly required by the duties of the job or assignment;

• Upload, download, view or otherwise transmit copyrighted, trademarked, patented, or indecent material, trade secrets, or other confidential, private, or proprietary information or materials to which the user does not have access rights. Regarding copyrighted materials, certain exceptions are given for educational and liturgical purposes. If in doubt, consult the pastor, principal or other person in charge.

• Damage, alter, disrupt, or gain unauthorized access to computers or other systems; e.g. use others’ passwords, trespass on others’ folders, work or files.

• Give unauthorized persons access to parish, school or archdiocesan systems, provide access to confidential information, or otherwise jeopardize the security of the electronic communications systems (e.g. by unauthorized use or disclosure of passwords).

• Transmit confidential, proprietary, or sensitive information unless the transmission falls within the scope of the user’s job duties or assignment by a responsible person.

• Introduce a virus, attempt to breach system security or tamper with a system.

• Alter, without authorization, a start up screen or the desktop, or install applications that will subvert these functions.

• Allow any minor to access the Internet on school communications devices before a responsible adult has checked to insure that active filtering of prohibited materials is enabled.

• Use electronic communications devices or systems to transmit any radio frequency signal that is not permitted and/or licensed by the Federal Communication Commission (“FCC”) or that would violate FCC rules or policies.

6. Consequences of violations of electronic communications policy

Violations of this policy, including breaches of confidentiality or security, may result in suspension of electronic communication privileges, confiscation of any electronic communication device or materials, and disciplinary action up to and including termination of employment, removal from parish or school activities, or other appropriate disciplinary action.
7. Local policies for parishes and schools

Parishes and schools should create their own policies addressing the use of electronic communications devices in classrooms or other parish or school related settings to suit their local needs. Such policies may not deviate from this Electronic Communications Policy in any material way. Parishes and schools should incorporate paragraphs 1 through 6 of this policy in parish and parent/student handbooks in addition to local policies. The parish and school created policies should address:

- where students and staff may use electronic communications devices;
- when electronic communications devices may be used;
- where such devices will be stored when they are not in use (backpack, locker, elsewhere);
- extent to which the parish and school will communicate through email and the reasonable amount of time within which responses may be expected;
- appropriate language for email response to email or text messages that raise questions or concerns

Sample: “Thank you for sharing your concern/question with us.

Because of the informal and insecure nature of electronic messaging and our inability to confirm who the senders and intended recipients of the messages are, we suggest you contact the parish or school by telephone or by regular mailed correspondence.”

- consequences will result if the parish or school policy is not followed

Social media should be aligned with and reflect Catholic values in content created and posted by the individual user.
3. Should an issue regarding posts, comments, or other social media interactions be brought to the “school name’s” attention, the school may exercise its right to administer disciplinary action for those involved.

Limitation of Liability

Glossary
Harassment – Persistently acting in a manner that distresses or annoys another person.

Plagiarize - To take the ideas or writings of others and presenting them as if they were original to the student.

Spamming – Sending an annoying or unnecessary message to a large number of people.

Vandalism – Any attempt to harm or destroy data of another user, agency or network including uploading, downloading or creating computer viruses.
SPECIAL NOTE: iPads, phones, and computers are never allowed to be used without permission from the teachers and without direct supervision. Students who need to make calls must use the front office phone for emergencies.

Electronics and technology may only be used for academic purposes like STAR, AR testing, and limited research that is teacher-guided. Absolutely no Youtube or Google searches without express directions from a teacher are allowed. Technology is useful, but it should also be limited to ensure a well-balanced education. Technology is not used as a time-filler, but for educational purposes.

In Grades K-2, the ipads are the school's property. In grades 3-8, it is student-owned. Some come with apps and games on it. Parents and teachers are to check personal electronics in the first few days of school to make sure there are no social media apps on the iPads. Cellular phones should never have to be used by students during the school day. Any emergency phone calls may be done in front of a teacher on a classroom phone or in the school office.

Consequences for violation of iPad use will be made explicit from the first day of school. Violation of this school-wide policy may result in loss of computer/iPad access.

Re: RESEARCH and homework, teachers ask that students do any major research assignments at home or at a local library, under the direct supervision of parents or legal guardians.

At home, supervision and any restriction of the child's use of the Internet is the responsibility of a parent or legal guardian. At school, the responsibility falls on the adult in charge. To assist parents and legal guardians with child safety on the Internet, the schools' computers run filtering software, but it's not foolproof or 100% guaranteed. The software is designed to minimize minors' access to inappropriate sites or materials. St. Anthony's website has pages for children that provide information and links to other websites designed for youths. Parents and guardians will not hold the school liable for something that a child accidentally views on his/her own volition, especially if students were using technology inappropriately.

Teachers are advised to always screen films, clips, and websites before showing them in class. If teachers show movies, they are only to be G-rated movies and age-appropriate. If a teacher shows anything in class that may require a parent/guardian’s written consent, the parent/guardian will always have a chance to opt out and alternative assignments will be given, without penalty to the child. Discretion is up to the parents.
Student Personal Technology Contract
Acceptable Use and Waiver of Liability

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. To encourage this growth, students at St. Anthony of Padua will be allowed to bring their own technology to campus.

Students and parents involved in bringing a personal electronic device to school must adhere to the Student Acceptable Use of Personal Technology Policy as well as all other policies listed in our standard Acceptable Use Policy.

1. Students who bring personal technology to school will have access to their devices for limited time during the day and only at the request of and under the supervision of a classroom teacher or designee for educationally appropriate activities.

   **Use during the school day during unsupervised times is prohibited.**

   **Use before and after school is prohibited**

2. Students take full responsibility for the security of their devices. The school is not responsible for personal devices lost, stolen, and or damaged while at school or during school sponsored activities. Personal devices cannot be left at school after normal school hours. (If device is lost, stolen, or damaged, it will be handled through the administration office, much like any other item of personal property.)

3. Devices cannot be used during assessments, unless otherwise directed by a teacher.

4. Students must immediately comply with the teachers request to shut down devices or close the screen. Devices must be in silent mode and put away when asked by teachers.

5. Students are not permitted to transmit or post photographic images/videos of any person on campus on public and or social media sites.

6. Students bring personally owned electronics devices to school at their own risk and should not share their personal devices with other students.

7. Printing from personal devices will not be permitted at school.

8. The school has the right to collect and examine any device that is used on campus to determine whether it is being used inappropriately or is a possible threat to our network or other hardware.

9. Inappropriate use, including but not limited to a violation of St. Anthony of Padua policies and rules, procedures, state or federal law, may result in curtailment or cancelation of the privilege, detention, suspension, and/or expulsion.

The occasional use of personal devices to support educational experiences will benefit the learning environment as a whole. The undersigned agree to abide by all Acceptable Use Policies and waive any and all claims against St. Anthony of Padua School for any property damage associated with any personal electronic device brought to school.

Dear Parents and Legal Guardians,

We are proud of the great progress we have made over the past few years here at St. Anthony of Padua School in developing a truly 21st century educational environment. As you know, all of our teachers are using iPads and digital projectors in their classroom throughout the day, allowing for more immersive and engaging lessons. Our collection of iPads has allowed our students to create a variety of types of digital documents, and we are making more every day. The Learning Lab has been developed to mimic the type of collaborative projects and work cultures of Silicon Valley, while our use of Gradelink, classroom blogs and the school website has transformed the manner in which we report grades, assign homework assignment, and distribute documents.

Today, we are asking your permission to take St. Anthony of Padua School one step further into the 21st century. In order to create a more streamlined system for communicating directly with parents and students, and aid in the creation, collection, organization, grading, and display of our digital work, St. Anthony of Padua School is integrating individual student email accounts into its educational infrastructure. We’ve decided it is best to provide those for the students using our own domain, stanthonygardena.org, rather than using their personal emails.

We are therefore asking your permission to create a school email account for your child. Essentially, this email account will be a family account. You will, of course, have access to these accounts. Our hope is that you will use these accounts to communicate with the school and the various committees in which you are involved, and more effectively provide the school with feedback on various topics through the digital survey system we will be using. Moreover, these accounts will allow your student to use a variety of other services, such as Google Apps, Edmodo, and a variety of other web-based applications your child’s teacher may wish to utilize that require an email account for use.

We truly believe that there are many benefits in adding these accounts to the St. Anthony of Padua School. It is very important, though, that you consistently monitor the account and are always aware of the way it is being used by your student. We recommend that you check these accounts daily, both to stay up-to-date with school-related emails, and to make sure your child is not using the email account in an inappropriate way. To help combat any potential inappropriate use, internet safety lessons will be presented to all students in their individual classrooms, and an internet safety tutorial will be offered to parents at one of our general parent meetings.

We are very excited about the educational doors that will be opened by the creation of these accounts. Thank you for your support.

Sincerely,
Angela Grey
Principal
