

On-Line Donation Links LIVE - use PayPal linked to a bank account

Dear Parent / Guardian:

New links are now available through the school's website to accept on-line donations. Should sponsors choose to make on-line donations, **PayPal** linked to a bank account is encouraged! Don't have a **PayPal** account? You can sign-up for one at www.paypal.com

What is PayPal? It is a way to send money, accept payment, and/or pay for goods/services on-line. This includes donations! You can link bank account(s), debit and/or credit card(s), or use PayPal credit on a personal PayPal account.

Why use PayPal? It is secure & easy to send money, make/accept payments, or donations electronically.

*Example: Mary makes a \$10 on-line donation to St. Anthony School **using PayPal linked to her bank account**. Money is transferred electronically, and the school secures the full amount of her \$10 donation.*

On-line donations made with a debit and/or credit card will result in the school incurring transaction fees of 2.2% plus \$.30 per transaction.

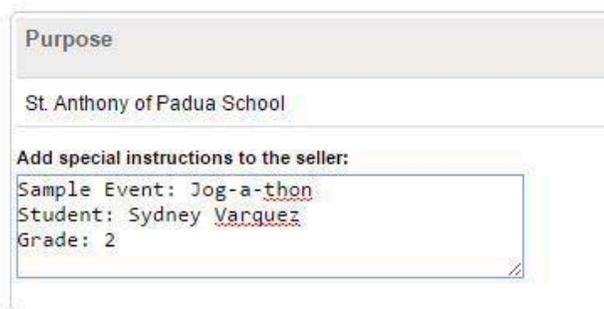

PayPal accounts linked to a bank account, cash, and/or check are the best options for our school to get the maximum amount of donations and reach our goal of \$10,000!
