

Incoming 5th Grade Summer Assignments 2018-2019

Math (pages 2-11)

- Students will complete a 4th grade math review packet that will help prepare them for 5th grade math.
- The assignment must be turned in within the first week of school for a math grade.

English Language Arts (page 12)

- Students will create a spelling notebook on the 100 Scrips National Spelling Bee words for fourth grade. Words are included in the packet.
- Students will have to write the definition for each word and use it in a sentence. You may combine multiple words into sentences. Please underline the word(s) in the sentence.
- This assignment must be turned in within the first week of school for a Spelling grade.
 - Please write the words on lined paper and staple them or put them in a notebook.

Reading (page 13)

- Students will complete 1 book report on a grade appropriate chapter book (4th or 5th grade leveled book)
 - Your choice of book
 - You may use the poster given or create your own with the same elements
- This assignment must be turned in within the first week of school for a Reading grade.

If you have any questions on the assignments please email Ms. Mahar at jmahar@stanthonygardena.org
