

Saint Plate Project

Dear First Grade Families,

Happy Friday! Today you picked up your child's materials for their Saint Plate Project Monday, Oct. 26th. Students have **3 weeks** to work on their projects! Please read the instructions below.

Report

- All students were assigned a saint. (**With the help of a parent**) Students should complete their report on their assigned saint.
- Students should complete the attached Saint report & include a photo in the blank square.
- Your child will complete the "All About Saint" paper and glue them on the paper plate provided (yes, a plate!!).
- Using the stencil, students should create their saint on the other side of the paper plate.
- Students should be prepared to present their plate on the week of October 26th!
- The "Saint Plate" report is due **Monday, October 26th through Seesaw (Front & Back)**.
- The rubric should be returned/ dropped off to school with your child's project on **Nov. 6th**.
