VERY IMPORTANT: When registering, you will have the option to support a specific grade/team. Please make sure to select accordingly. Also, each adult can only have **one registration**. **Multiple accounts are not permitted for each adult**. HundredX reserves the right to disqualify school earnings on completed brand opinions from “alias” accounts.

Mrs. Grey will authorize a FREE DRESS, PIZZA PARTY AND ICE CREAM SOCIAL, on a date to be determined, for the **TOP 3 GRADES/TEAMS**. Some small classes may combine with each other. Be sure to designate which team you want to receive credit if you have multiple children at the school.

For every SUPERSTAR (75 SURVEYS COMPLETED by one adult) achieved by **Monday, January 30th**, that student will receive **1 (one) FREE DRESS PASS**. The HundredX Campaign has some key points to get full credit for your service hour opportunity. PLEASE READ ALL OF THE INFORMATION BELOW.

SERVICE HOURS

Once again, families will have a unique opportunity to earn service hours with this campaign. Each family can earn a **maximum of 10 hours**, which will complete the hours required for the second trimester. This opportunity is made available by Mrs. Grey as an effort to help our families complete their service hours from the comfort of their home.

For every SUPERSTAR (an adult that has completed 75 brand opinions) you can earn the following:

1 SUPERSTAR= 75 brand opinions =2 service hours, 2 SUPERSTARS=150 brand opinions = 4 service hours,
3 SUPERSTARS= 225 brand opinions = 6 service hours, 4 SUPERSTARS= 300 brand opinions = 8 service hours,

Frequently asked questions:

My family completed 60 brand opinions; How many service hours will I earn?

None, 2 service hours are earned only at SUPERSTAR status (75 brand opinions completed per person). We highly encourage you to have your family and friends complete the maximum 75 brand opinions each, to earn maximum benefits!

Can I earn all my service hours this year from this campaign?

No, 10 hours is the maximum amount of service hours that can be earned per trimester. We urge families to take advantage of this fabulous opportunity.

Do I have to participate in this campaign?

No, but we are asking each family to have at least one parent/guardian/family member over 18 years old to complete 75 brand opinions. Those not participating will be billed **\$100 for the Jog-A-Thon Fee**. Those that participate will have this **fee waived**. Please take your time on the brand survey to give the best results for the company.

I completed 75 brand opinions and got my SUPERSTAR email confirmation. What now?

Please email the name of your SUPERSTAR, email address used, name of student supported and their grade to the PLC, Angelic Nunez-Scott (email information is below). We will credit your service hours in Gradelink once this has been verified by the reports we receive from HundredX. We urge you to continue to remind your family and friends to provide feedback until they have 75 (SUPERSTAR status) so that your family can continue to earn service hours and become one of the top (3) three winning families.

Can I do all 75 brand opinions in one day? Can I do a little bit every day?

There is a maximum amount of brand opinions that can be completed per day. You can continue to revisit the link that was sent via email or text and do your daily maximum each day. Please take your time (at least 1 minute per survey) and remember to complete SUPERSTAR to receive service hours. Start early because the system won't let you do all 75 in one day!

I had my family do a total of 75 brand opinions among 5 family members on 5 different emails.

Will I earn service hours?

Only SUPERSTARS (those adult family members that have completed all 75 brand opinions with ONE email address) will earn **2 service hours**. Unfortunately, the organization only provides us information on those with SUPERSTAR status and we are unable to verify any responses for those that answer **less than 75** brand opinions.

Please do reach out to us if you have further questions. Go St. Anthony Trojans!
