The foundational call of Christians to charity is a frequent theme of the Gospels. During Lent, we are asked to focus more intently on "almsgiving," which means donating money or goods to the poor and performing other acts of charity. As one of the three pillars of Lenten practice, almsgiving is "a witness to fraternal charity" and "a work of justice pleasing to God." (Catechism of the Catholic Church, no. 2462).

CHANGING THE STREETS ONE HEARTBEAT AT A TIME.

Pauly's Project strives to improve the lives of homeless individuals and families in the outskirts of Downtown Los Angeles by donating food, water, and essential supplies on a monthly basis.
